

MOSHARRAF HOSSAIN (MURAD)

Electrical & Electronic Engineer | Network & ICT Professional | CCNA Certified

Chattogram, Bangladesh • +8801824539680

mosharrafhossain012@gmail.com , | [linkedin.com/in/mosharraf-hossain-murad](https://www.linkedin.com/in/mosharraf-hossain-murad)

Permanent Address: Feni Sadar (Thana), Feni District, Bangladesh

Present Address: Port East Colony, Bandar, Chattogram, Bangladesh

Nationality: Bangladeshi | Language Proficiency: Bengali (Native), English (Professional B2 Certified)

PROFESSIONAL SUMMARY

Electrical & Electronic Engineering (EEE) graduate and CCNA-certified Network & ICT professional with 3+ years of continuous, hands-on experience in network infrastructure, data center operations, and Terminal Operating System (TOS) management within one of Bangladesh's largest seaports. Proven track record configuring Cisco and BDCOM switches, wireless access points, and structured cabling systems while ensuring zero downtime in critical port operations. Also experienced in industrial instrument installation, control system commissioning, and P&ID-based field work.

CORE COMPETENCIES & TECHNICAL SKILLS

- **Networking:** Cisco & BDCOM Switch Configuration, Router Setup, LAN/WAN Management, VLAN Configuration
- **Wireless & Security:** Sophos & Cambium Access Point Configuration, CC Camera (CCTV) Installation & Configuration
- **Structured Cabling:** Fiber Optic Cable Splicing, RJ-45 Termination, Structured Network Cabling Layout Installation
- **Data Center Operations:** Data Center Maintenance, Server & Computer Setup, Software Installation, Printer Installation & Sharing
- **Industrial Automation:** Control System Commissioning (H2O2 & H2 Plants), Field Instrument Installation, DCS Panel Termination & Routing, P&ID Reading
- **Software & Tools:** MS Office (Advanced Excel, Word, PowerPoint), Google Workspace, AutoCAD (2D/3D)
- **Additional Skills:** Mobile Application Development, Video Editing & Graphic Design, AI Productivity Tools

PROFESSIONAL EXPERIENCE

Assistant Systems Engineer | *IICT – BUET (On-site: Chittagong Port Authority)*

October 2024 – Present | Chattogram, Bangladesh

- Managing post-implementation phase and ongoing maintenance of the Terminal Operating System (TOS) for Chittagong Port Authority.
- Collaborating with engineering and IT teams to minimize system vulnerabilities and guarantee zero operational downtime during software updates.
- Troubleshooting complex network and system integration issues to facilitate seamless logistics operations at one of Bangladesh's largest seaports.

Assistant Systems Engineer (ICT) | *Flora Limited, Hardware & Network Support (On-site: Chittagong Port Authority – CTMS)*

June 2023 – September 2024 | Chattogram, Bangladesh

- Supervised daily core operations, routine maintenance, and critical troubleshooting within the Port's Data Center (CTMS).
- Configured and optimized BDCOM and Cisco switches, routers, Sophos and Cambium wireless access points across the port terminal.
- Installed and configured CC cameras; resolved RJ-45 cabling issues and performed high-precision fiber optic cable splicing.
- Performed computer installation, software setup, printer installation and sharing across core heavy machinery (RTG, QGC, SC).
- Diagnosed and resolved mobile network connectivity issues and hardware failures to maintain uninterrupted terminal operations.

Sub-Assistant Engineer (Instrument) | *Al-Razi Chemical Complex Ltd. (A Concern of Smart Group)*

- Executed precision equipment installation and control system commissioning for H2O2 and H2 Plants (NG Compressor, PSA, Reformer units).
- Prepared Bill of Quantities (BOQ) and Comparative Statements (CS) for instrument cables, cable tray, and field instruments.
- Performed field instrument installation and termination strictly per P&ID diagrams; carried out DCS panel installation, termination, and cable tray routing.

EDUCATION

B.Sc. in Electrical & Electronic Engineering (EEE)

Port City International University, Chattogram

Graduated: February 2026 | CGPA: 3.38 / 4.00

Diploma in Engineering – Power Technology

Chittagong Polytechnic Institute (Bangladesh Technical Education Board)

Completed: 2018 | CGPA: 2.50 / 4.00

Secondary School Certificate (Dakhil) – Science Group

Bandar Mohammadia Dakhil Madrasa (Bangladesh Madrasah Education Board)

Completed: 2014 | GPA: 5.00 / 5.00

CERTIFICATIONS & TRAINING

- AI for Smart Productivity Workshop (Batch 4), AI Shikhun — July 2026
- CCNA (Cisco Certified Network Associate), 72-Hour Program, CSL Training Institute, Dhaka — March 2024
- Professional Customer Service (PCS), Hello World Communications (SEIP-BACCO Program) — May–August 2023
- Verbal Communication in English (8 Days), Workplace Skills Development Academy, New Zealand (SEIP-BACCO Program) — 2023
- APTIS English Certification (B2 Level, Score: 86/100), British Council — March 2022
- Mobile Application Development (Cross-Platform, 200 Hours), Digital Bangladesh ICT Division — February 2022
- 2D & 3D Animation, Video Editing & Videography (216 Hours), Bangladesh Hi-Tech Park Authority (Sheikh Kamal IT Training & Incubation Center)
- Professional Graphics Design Course (6 Months), Department of Youth Development, Chattogram — July–December 2019
- Computer Basic & ICT Application Course (6 Months), Department of Youth Development, Chattogram — January–June 2019
- Industrial Training (Computer Branch, 3 Months), Chittagong Port Authority — January–April 2018

STRENGTHS

- Hard-working, self-driven, and result-oriented
- Sharp sense of social responsibility
- Continuous learning and growth mentality
- Strong communication and teamwork skills

INTERESTS & HOBBIES

Technology & AI developments | Reading books and professional journals | Social and community work | Video editing and graphic design | Blood donation drives
