Subject: Application for [Position Name]

Dear Sir/Madam,

I am interested in the [Position Name] position in your organization. I have hands-on experience in system engineering, ICT support, network configuration, data center maintenance, and instrumentation from my roles at IICT-BUET, Flora Limited, and Al-Razi Chemical Complex Ltd.

With a B.Sc. in EEE, a Diploma in Power Technology, and professional training including CCNA and other ICT courses, I am confident in my ability to contribute effectively to your team. I am hardworking, responsible, and eager to learn.

Thank you for considering my application.

Sincerely,
Mosharraf Hossain
